1	1111	23.17	OCA/SPA	CAPPS Reporting Team	Yes	Reports	Medium	Large	State Matching Contribution Reports by Year	Agency would like the current State Matching Contribution Report to include the Appropriations Year (AY) column. The TX_PYRL_DTL should include earn and pay dates, as well as the AY and FY for each. Additionally, they would like a new report for YTD contribution totals with the option to run by either FY or AY. The current report only has the option to run by payroll document number.	The agency would like to add the EARNINGS_END_DT field to the State Matching Contribution Report to show when an amount was appropriated versus when it was paid. Additionally, they are requesting a new report in the same format as the State Matching Contribution Report with a Run Control option of FY or AY. Adding the Run Control option for FY or AY cannot be simply added to the current report.	Add the AY to the current State Matching Contribution Report. Add the earn date and pay date to the TX_PYRL_DTL query along with the corresponding AY and FY columns.	In work	Statewide 8/24 – 8/31 Agency 9/1 to 9/8 PRD 9/16/21
